

Certification Criteria for Playgroups 2008

AND

Early Childhood Education Curriculum Framework

EFFECTIVE FROM 1 DECEMBER 2008

Introduction

This booklet contains the *Certification Criteria for Playgroups 2008*, and the *Early Childhood Education Curriculum Framework* (on the inside back cover). These two documents form part of the regulatory framework for Early Childhood Education.

The certification criteria are deemed regulations prescribed by the Minister of Education. The criteria are used by the Secretary for Education to assess compliance with regulated standards of education and care.

There are no criteria associated with the *Ratios standard* contained in the *Education (Playgroups) Regulations 2008*.

Playgroups must meet the certification criteria as well as the other regulatory requirements contained in the regulations in order to gain and maintain a certificate, and receive Government funding. The criteria should therefore be read in conjunction with the *Education (Playgroups) Regulations 2008*.

The curriculum framework is prescribed by the Minister of Education. It formalises Government's expectations and guides all curricula and programmes across the early childhood education sector. The *Early Childhood Education Curriculum Framework* is made up of the English and te reo Māori versions of the Principles and Strands from the early childhood curriculum *Te Whāriki: He Whāriki Mātauranga mō ngā Mokopuna o Aotearoa*, as well as an interpretation of the Strands to be used in ngā kōhanga reo affiliated with Te Kōhanga Reo National Trust.
